RE: 2012 Jefferson Cup Showcase Tournament

On behalf of the Atlantic Soccer League (ASL), I would like to request the release of all regional league players from your school to participate in the 2012 Jefferson Cup Player Showcase in Richmond, Virginia on Friday March 9th (boys)/Friday March 16th (girls), 2012. We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible while planning out and scheduling our yearly event structure. Regrettably, the Jefferson Cup Showcase, as one of the nation's top "player exposure" events begin on Friday and will require the participating student/athletes to miss that day from school.

As a non-profit, affiliate of US Club Soccer and a member of the United States Youth Soccer Association, the ASL is charged with the development of players and providing exposure and college opportunities for its student/athletes. The Jefferson Cup Showcase is an integral part of the ASL's mission and designed to facilitate the development and identification of these student/athletes.

Thank you for your understanding regarding the absence of ASL student/athletes from school during Friday of the Jefferson Cup Showcase and please feel free to contact me with any questions. I can be reached at info@aslsoccer.net or (804)843-7303.

Regards,

Kevin Darcy
